

PSZ-1019-B1

IEC connector filter incl. cable and ferrite

- ✓ To improve EMC characteristics
- ✓ Quality marks: UL, VDE, CQC (to filter)
- ✓ Rated current: Up to 6 A
- ✓ Nominal voltage: 115/230 VAC, 50/60 Hz
- ✓ Input: IEC connector
- ✓ Output: 3x cable (L, N, PE) incl. ferrite and connector
- ✓ Temperature range: -25...+85 °C

Drawing PSZ-1019-B1

Information for medical applications: The filter causes a leakage current of approx. 29 µA (at 264 VAC). The leakage current may not exceed the limits of the standards IEC 60950-1 and IEC 60601-1.

Specification is subject to change without notice. Errors excepted. Status as at: 02.03.2021
